INTERNATIONAL SEARCH REPORT

(PCT Article 18 and Rules 43 and 44)

International application No. PCT/US 08/75974 In September 2008 (11.09 2008) This international search report has been prepared by this International Searching Authority and is transmitted to the applicant according to Article 18 A copy is being transmitted to the International Bureau. This international search report has been prepared by this International Searching Authority and is transmitted to the applicant according to Article 18 A copy is being transmitted to the International Bureau. This international search report consists of a total of search report and search prepared by the applicant of the International Bureau. This international search report consists of a total of search was carried out on the basis of: With regard to the language, the international search was carried out on the basis of: With regard to the language, the international seplication into a translation furnished for the purposes of international search (Rules 12.3(a) and 23.1(b)). Description Descript	4672-698	FOR FURTHER ACTION	sec Form PCT/ISA/220 as well as, where applicable, item 5 below.			
Applicant CHICAGO MERCANTILE EXCHANGE, INC. This international search report has been prepared by this International Searching Authority and is transmitted to the applicant according to Article 18. A copy is being transmitted to the International Bureau. This international search report consists of a total of	International application No.	International filing date (day/mont	h/year) (Earliest) Priority Date (day/month/year)			
This international search report has been prepared by this International Searching Authority and is transmitted to the applicant according to Article 18. A copy is being transmitted to the International Bureau. This international search report consists of a total of	PCT/US 08/75974	11 September 2008 (11.09.2008)	13 September 2007 (13.09.2007)			
This international search report consists of a total of						
It is also accompanied by a copy of each prior art document cited in this report. Basis of the report	according to Article 18 A copy is being	g transmitted to the International Bu	arching Authority and is transmitted to the applicant reau.			
a. With regard to the language, the international search was carried out on the basis of. the international application in the language in which it was filed. a translation of the international application into a translation furnished for the purposes of international search (Rules 12.3(a) and 23.1(b)). This international search report has been established taking into account the rectification of an obvious mistake authorized by or notified to this Authority under Rule 91 (Rule 43.6biz(a)). With regard to any nucleotide and/or amiso acid sequence disclosed in the international application, see Box No. 1. Certain claims were found unsearchable (see Box No. 11). Unity of invention is lacking (see Box No. 11). With regard to the title, With regard to the title, With regard to the substract, the text has been established by this Authority to read as follows: With regard to the abstract, See Foundary of the season of the sea						
the international application in the language in which it was filed.						
a translation of the international application into a translation furnished for the purposes of international search (Rules 12.3(a) and 23 (b). b	D-20					
a translation furnished for the purposes of international search (Rules 12.3(a) and 23.1(b)). b						
authorized by or notified to this Authority under Rule 91 (Rule 43 6bis(a)). C. With regard to any nucleotide and/or amino acid sequence disclosed in the international application, see Box No. I. Direction claims were found unscarchable (see Box No. II). Unity of invention is lacking (see Box No. III). With regard to the title, the text is approved as submitted by the applicant. the text has been established by this Authority to read as follows: With regard to the abstract, the text has been established according to Rule 38 2(b), by this Authority as it appears in Box No. IV. The applicant may, within one month from the date of mailing of this international search report, submit comments to this Authority. With regard to the drawings. the figure of the drawings to be published with the abstract is Figure No. 2 as neglected by this Authority, because the applicant failed to suggest a figure. as selected by this Authority, because this figure better characterizes the invention.	a translation of the international application into which is the language of a translation furnished for the purposes of international search (Rules 12.3(a) and 23.1(b)).					
2.	b. This international search report has been established taking into account the rectification of an obvious mistake authorized by or notified to this Authority under Rule 91 (Rule 43.6bis(a)).					
3	c. With regard to any nucleotide and/or amino acid sequence disclosed in the international application, see Box No. 1.					
4. With regard to the title, he text is approved as submitted by the applicant. the text has been established by this Authority to read as follows: With regard to the abstract, the text is approved as submitted by the applicant. the text has been established, according to Rule 38 Z(b), by this Authority as it appears in Box No. IV. The applicant may, within one month from the date of mailing of this international search report, submit comments to this Authority. With regard to the drawings. a. the figure of the drawings to be published with the abstract is Figure No. 2	2. Certain claims were found unscarchable (see Box No. 11).					
the text is approved as submitted by the applicant. the text has been established by this Authority to read as follows: With regard to the abstract,	3. Unity of invention is lacking (see Box No. III).					
the text has been established by this Authority to read as follows: 5. With regard to the abstract, the text is approved as submitted by the applicant. the text has been established, according to Rule 38 2(b), by this Authority as it appears in Box No. IV. The applicant may, within one month from the date of mailing of this international search report, submit comments to this Authority. 6. With regard to the drawings. a. the figure of the drawings to be published with the abstract is Figure No. 2 as suggested by the applicant. as selected by this Authority, because the applicant failed to suggest a figure. as selected by this Authority, because this figure better characterizes the invention.) real					
5. With regard to the abstract,						
the text is approved as submitted by the applicant. the text has been established, according to Rule 38 2(b), by this Authority as it appears in Box No. IV. The applicant may, within one month from the date of mailing of this international search report, submit comments to this Authority. With regard to the drawings, a. the figure of the drawings to be published with the abstract is Figure No. 2 as suggested by the applicant. as selected by this Authority, because the applicant failed to suggest a figure. as selected by this Authority, because this figure better characterizes the invention.	the text has been established by this Authority to read as follows:					
the text is approved as submitted by the applicant. the text has been established, according to Rule 38 2(b), by this Authority as it appears in Box No. IV. The applicant may, within one month from the date of mailing of this international search report, submit comments to this Authority. With regard to the drawings, a. the figure of the drawings to be published with the abstract is Figure No. 2 as suggested by the applicant. as selected by this Authority, because the applicant failed to suggest a figure. as selected by this Authority, because this figure better characterizes the invention.						
the text is approved as submitted by the applicant. the text has been established, according to Rule 38 2(b), by this Authority as it appears in Box No. IV. The applicant may, within one month from the date of mailing of this international search report, submit comments to this Authority. With regard to the drawings, a. the figure of the drawings to be published with the abstract is Figure No. 2 as suggested by the applicant. as selected by this Authority, because the applicant failed to suggest a figure. as selected by this Authority, because this figure better characterizes the invention.						
the text is approved as submitted by the applicant. the text has been established, according to Rule 38 2(b), by this Authority as it appears in Box No. IV. The applicant may, within one month from the date of mailing of this international search report, submit comments to this Authority. With regard to the drawings, a. the figure of the drawings to be published with the abstract is Figure No. 2 as suggested by the applicant. as selected by this Authority, because the applicant failed to suggest a figure. as selected by this Authority, because this figure better characterizes the invention.	5 With second to the abstract					
the text has been established, according to Rule 38 2(b), by this Authority as it appears in Box No. IV. The applicant may, within one month from the date of mailing of this international search report, submit comments to this Authority. 6. With regard to the drawings, a. the figure of the drawings to be published with the abstract is Figure No. 2 Sa suggested by the applicant. as selected by this Authority, because the applicant failed to suggest a figure. as selected by this Authority, because this figure better characterizes the invention.		mitted by the applicant.				
a. the figure of the drawings to be published with the abstract is Figure No. 2 Sa suggested by the applicant. as selected by this Authority, because the applicant failed to suggest a figure. as selected by this Authority, because this figure better characterizes the invention.	the text has been establish	ed. according to Rule 38.2(b), by thi	s Authority as it appears in Box No. IV. The applicant ional search report, submit comments to this Authority.			
a. the figure of the drawings to be published with the abstract is Figure No. 2 Sa suggested by the applicant. as selected by this Authority, because the applicant failed to suggest a figure. as selected by this Authority, because this figure better characterizes the invention.	6. With regard to the drawings,					
as selected by this Authority, because the applicant failed to suggest a figure. as selected by this Authority, because this figure better characterizes the invention.						
as selected by this Authority, because this figure better characterizes the invention.	as suggested by the applicant.					
	as selected by this Authority, because the applicant failed to suggest a figure.					
b. none of the figures is to be published with the abstract.	as selected by this Authority, because this figure better characterizes the invention.					
	b. none of the figures is to be	published with the abstract.
